Six Day Bible

READING PLAN

PLUS+

Are you ready to level up? Welcome to our second level Bible reading plan.

This special Bible reading system allows you to read the entire Bible twice and the book of Proverbs twelve times in one year averaging 25 minutes per day while only reading six days a week.

This model follows God's creation plan in which He worked for six days and rested on the seventh. Six readings a week allows room to catch up on missed days or take a day off to focus on other Bible study.

We have helped many people successfully reach their goal of regular Bible reading using this schedule and you can too!

Check off each day's reading. At the end of each week, check off the Weekly Progress Register. You will be amazed at how soon you are deep into the year and still reading your Bible faithfully.

Reading God's Word daily is a necessary discipline for every serious follower of Jesus Christ. The Holy Bible is God's inspired and preserved word. (2 Timothy 3:16, Psalm 12:6-7)

The Bible contains everything we must know to live for God in this present evil world. (2 Peter 1:2-4)

Divine blessings are promised to those who read, meditate upon, and obey the Scriptures. (Revelation 1:3, Psalm 1:1-3)

Let's get started!
